Hi Sonja, I also meant to ask you if you could forward to me a copy of your CV (I have it on file, but I just moved my office and I think it is buried) and copies of any notes or reports you produced as a result of these analyses. Prior to my taking this case on, a judge ordered such be provided, thank you!

Hi Sonja, the trial of [REDACTED] will be sent out this week, which means that it could begin as early as Thursday. Do you have anything upcoming within the next two weeks that will effect your availability? I expect this matter to plea (the defendant admitted everything) but I can never be certain. Thanks!
